

The image features a stylized logo for 'Pelican Road'. The text 'PELICAN' is positioned on the top line and 'ROAD' is on the bottom line, both in a bold, black, sans-serif font. The letters are closely spaced. On either side of the text, there is a stylized black silhouette of a pelican's wings, spread wide. The wings are composed of several curved, overlapping segments, with a series of fine, parallel lines radiating from the base of each wing to represent feathers. The entire logo is centered on a plain white background.

**PELICAN  
ROAD**
