

ART
woby

The image features a hand-drawn logo for 'ART woby'. The word 'ART' is positioned at the top in a large, bold, brown font with a dense, scribbled texture. Below it, the word 'woby' is written in a smaller, lowercase font. The 'w' and 'y' are brown with the same textured style, while the 'o' is a solid, bright orange color. The overall aesthetic is that of a rough, artistic sketch.
