

CAD COPPI

The image features the text 'CAD COPPI' in a bold, black, serif font. The letter 'C' in the second 'COPPI' is significantly larger and filled with a dark purple color. A network diagram is overlaid on the text, consisting of several dark purple circular nodes connected by thin, light purple lines. The nodes are positioned at various points: one at the top left, one on the left side of the first 'D', one inside the first 'D', one at the bottom of the large 'C', one at the bottom right of the first 'P', one at the top right, and one at the top right of the second 'P'. Lines connect these nodes, forming a web-like structure that spans across the letters.
